SENIOR IMMUNIZATION REQUIREMENTS

The Ohio Department of Health currently requires all 12th grade students to have received the **meningococcal** (MCV4) vaccine *prior* to the start of the school year. Your student received their first dose prior to entering 7th grade. The meningococcal is a two part series.

If you attend school online or through CCP I still need a copy of your shot records. You can email me, sutton_s@burgschools.org or fax a copy to 513-724-6577. If you attend Grant you may give a copy to Buffy at Grant.

Your student's healthcare provider can administer the vaccine. It can also be done at HealthSource of Ohio, (513) 536-5005, located at our Middle/High building or the Clermont County Health Department in Batavia, (513) 732-7499.

Please reach out with any questions.

Sincerely,

Stephanie Sutton, RN, BSN
